

1/ 72 Cromwell ARV conversion kit

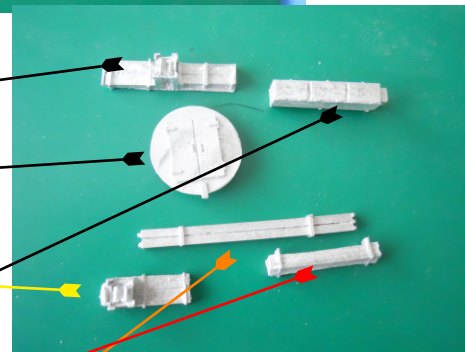

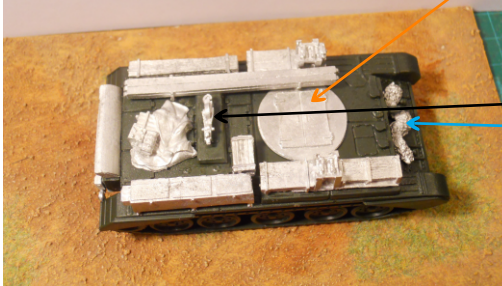

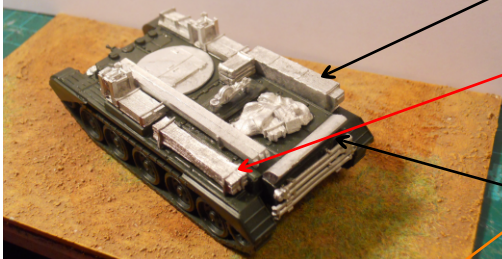

The Cromwell arv was simply a turret less Cromwell hull with various recovery equipment and a simple 'A' frame to enable light lifting jobs to be undertaken in the field.

Side stowage,
Timber baulks,
'A' frame &
Turret hatch

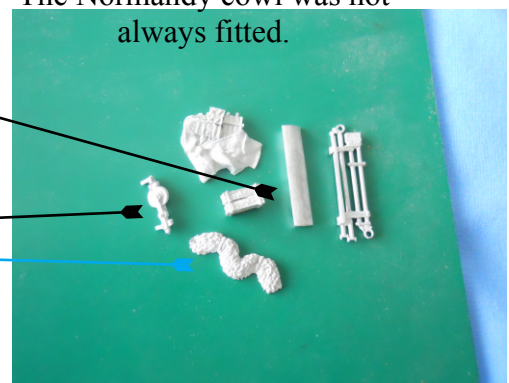

Towing bars,
Normandy cowl,
Pulley block,
Crate , stowage
& camo net

The stowage arrangements varied as crew preferences dictated.
We have just fixed ours for reference purposes.

The Normandy cowl was not always fitted.
